

Mission:

"To continuously improve the health of our community."

Fulton County Medical Center (FCMC) is a nonprofit organization located in McConnellsburg, PA. The original building was built in 1950. Today, FCMC stands on a 22 acre campus with a brand new facility that opened in November, 2007. The breathtaking views of Fulton County are extraordinary.

Vision:

"To become the healthcare provider of choice in Fulton County by providing state-of-the-art products and services to our community in a way that reflects our commitment, our competence, and our compassion."

Values:

*Customer Mindedness
Competency
Compassion
Continuous Improvement
Integrity
Stewardship
Teamwork*

FCMC does not discriminate in admissions, referral or delivery of services to residents on the basis of race, color, religious creed, handicap, ancestry, national origin age or sex. Admission is based solely on qualification for nursing home care.

A family, home-like environment is what you will find upon entering our hospital-based nursing home. Our staff provides personalized, quality care to meet individualized resident needs. Comprehensive medical care is accessible 24 hours a day through our emergency physician services.

TESTIMONIAL:

"I like living in FCMC. I like all the people I'm around and having fun going to activities and to dining room for our lunch and supper. I like the nurses I have taking care of me. I like the activities people. I like to go to church every Sunday. I like visitors to talk to. I like everyone I see in the hall. I like the food I eat. I have a great room. That is why I like living here."

—Doug Ray, Resident
